The screenshot shows the ProjectControls Online.com checkout page. At the top, there is a navigation menu with links for News, E-Learning, Forum, Blogs, JobZone, Network, Virtual Staff, Info Pad, Tools, and Survey. Below the menu, a breadcrumb trail reads "You are here: E-Learning » Reference Zone » Your Account". The user's name "Dave Brown" is displayed in the top right corner. The main heading is "Checkout". Below this, a message says "Thank you. Your order number is 1140". A paragraph of text instructs the user to click the "Continue to PayPal" button to be transferred to PayPal for payment. The "Continue to PayPal >" button is circled in red.

You will be redirected to PayPal's website where you can pay by your PayPal account or by Credit Card.

The screenshot shows the PayPal payment page. On the left, there is a "Your order summary" box containing a table with the following data:

Descriptions	Amount
Project Controls Project Risk Manag...	£49.99
Item price: £49.99

Item total	£49.99
	Total £49.99 GBP

On the right, the "Choose a way to pay" section is visible. It includes the text "PayPal securely processes payments for ProjCon Consultants." and the PayPal logo. There are two main options: "Have a PayPal account?" and "Don't have a PayPal account?". The "Have a PayPal account?" option includes a "Log in to your account to pay" section with input fields for "Email" and "PayPal password", a "Log in" button, and a link for "Forgot your email address or password?". The "Don't have a PayPal account?" option includes the text "Pay with your debit or credit card as a PayPal guest". At the bottom, there is a link for "Cancel and return to ProjCon Consultants." Two arrows point from the text above to the "Have a PayPal account?" and "Don't have a PayPal account?" options.

Once you make a successful payment at PayPal, click on return to Project Controls Online
